CSA/UL SPECIFICATION	FLAME RETARDANT MATERIALS	TROPICALISATION
----------------------	---------------------------	-----------------

SECONDARY WINDING DETAILS					
Winding No.	Voltage		Current		Power
	AC (RMS)	DC	AC (RMS)	DC	
1					
2					
3					
4					
5					
Nominal temperature 50°C		Ambient temperature		(°C)	Maximum temperature
Total VA		Duty Cycle		Switching	Continuous
Regulation %		Not Specified			
Thermal Protection (°C)		Flash Testing 2KVA		Other	
Note: if DC is specified, include rectification circuit diagram					

PRIMARY WINDING DETAILS (50/60Hz)			
Single Primary (Typical)	0 - 240V		0 - 110V
Series Parallel	0 - 120V, 0 - 120V		
Compound	0 - 120V - 240V		
Other (Please Specify)			

**Terminations**

Pcb pins		Solder Tags (terminal covers supplied)		Screw Terminal Connector Block		Flexible Leads Length	
----------	--	--	--	--------------------------------	--	-----------------------	--

**Fixings**

Printed Circuit Board		U Clamp		Universal Frame	
-----------------------	--	---------	--	-----------------	--
